**Bachelor of Science in Applied Technology**

Rexburg, ID

**Emphasis in Software and Web Development**

## Skills

---

- |          |                       |         |
|----------|-----------------------|---------|
| • Python | • Android Development | • CSS3  |
| • Java   | • JavaScript          | • HTML5 |

## Projects

---

**Announcement Bot**, written in Python, is a Discord chatbot enabling users to create custom embedded messages with an updating preview of announcements. It lets users replace existing messages to change outdated content without having to delete and repost. It also supports normal non-embedded announcements for when using an embed is not desired.

- Announcement Bot is supporting over 300 Discord servers
- <https://www.announcementbot.live>

## Experience

---

**American Airlines Headquarters**

May 2017 - October 2018

*Analyst, Flight Service Technology Development & Planning*

Fort Worth, TX

- Distributed upgraded tablets to over 26,000 American Airlines flight attendants
- Issued over 5,000 regional flight attendant tablets for inflight sales, enabling those carriers to go cashless onboard

**American Airlines LAX**

March 2015 - May 2017

*Duty Manager, Flight Service*

Los Angeles, CA

- Managed multiple projects successfully: Flight Attendant Crew IDs, Employee Parking, Flight Attendant Tablets, and Base Website
- Maintained security identification files for 1,399 employees with airport security identification badges

*Coordinator, Flight Service*

- Reviewed, screened, and processed incoming and outgoing mail; scheduled FedEx ground pick-ups, and facilitated the acquisition of large shipments
- Provided administrative support to Flight Service personnel in areas of scheduling, travel, and parking reimbursements, lost and found, and tracking down high-value company assets left on aircraft overseas

**SourceAmerica**

November 2013 - August 2014

*Senior Project Analyst*

San Ramon, CA

- Secured and validated pricing/costing information from Community Rehabilitation Programs (CRPs) and Procuring Activities (PAs) pertinent to allocation actions, new opportunities, and project additions
- Processed procurement list additions and executed annual price revisions to support marketing and developing initiatives

**United States Navy**

June 2003 – June 2013

*Senior Explosive Ordnance Disposal Technician*

Various Locations

- Accomplished measurable results while leading teams in dynamic, fast-paced environments
- Recipient of multiple awards for outstanding performance and professionalism
